A terrorist attack, earthquake, flood, power outage or other disaster can strike at any time ... with little or no warning. Are you ready? Every real estate business — and building — needs an emergency preparedness and recovery plan. A plan can save lives, assets and help minimize downtime after a crisis. You can’t control what happens, but you can be prepared. Visit www.reisac.org/prepared to learn more about the steps you can take to develop emergency response plans for your company and your buildings. When it comes to building security, we’re all in this together.

Develop an emergency response plan. Test it. Maintain it.
